Interview Summary

Commissioner For Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir/Madam:

Applicant hereby files this summary of the examiner interview of June 28, 2005. During the interview, the undersigned generally discussed with the Examiner the Final Rejection of May 19, 2005 in the above-referenced patent application, and features in the claims in view of the cited references, such as the port hole and drop slot in the safe being proximate to spatially offset support surfaces. The Examiner indicated that any amendments to the claim language, and arguments, in regards to such features will be considered once a response to the Final Rejection of May 19, 2005 including such amendments is filed. No agreement was reached. Applicant files this interview summary only to report the interview discussion and reserves the right to file a response to the Final Rejection of May 19, 2005 in due course.
